📞 +216 24677979   📍 Ksar Hellal, Tunisia   🌐 https://dorrach999.github.io

EDUCATION

Software engineering
Polytechnique school (EPS) - Sousse , Tunisia
Sept 2021 - now

Bachelor degree in Electronic, Electrotechnology and Automatic
Sciences Faculty - Monastir ,Tunisia
Sept 2018 - July 2021

Technical sciences baccalaureate
2 mars 1934 high school-Ksar Hellal , Tunisia
June 2018

EXPERIENCES

Company Website
Web development - Summer Internship
📅 June 2023 - July 2023   📍 CL Print - Jemmel
A dynamic corporate website that provides users with the interactive capability to submit requests
Technoligies : Angular , Spring Boot

Introduction to .NET
Web development - Summer Internship
📅 July 2022 - August 2022   📍 Rise Up - Sousse
Creation of a mini desktop app responsible for managing members and private coaching sessions.
Technoligies : .NET , C# , DevExpress , SQL server

SKILLS

📖 **Programming**
Python, JavaScript , C , SQL , GraphQL

📖 **Databases**
MySQL , MongoDB

📖 **Frameworks and Platforms**
Angular ,Nodejs , Express , SpringBoot , Flutter , Arduino , PowerBI

📖 **Machine Learning , NLP Libraries and Frameworks**
Sckit Learn , NLTK , TensorFlow , Keras , YOLO (computer vision)

📖 **Technologies**
IOT

CERTIFICATES

JavaScript Certification
Certiport IT Specialist
📅 June 2023

HTML and CSS Certification
Certiport IT Specialist
📅 March 2022

LANGUAGES

- **French** (B2 DELF)
- **English** (770 TOEIC)

ACADEMIC PROJECTS

Plant disease detection Mobile app :
Machine Learning , Mobile Dev , IOT
A mobile app featuring a plant disease detection model and an IoT integration for plant monitoring
Technoligies : Flutter , Python , Arduino

Prototype of a Smart Parking :
End of studies project - June 2021
Prototype of a parking system with a mobile app to visualize available parking spaces and their locations.
Technoligies : App Inventor , Arduino

Tasks Managment:
Web development
Efficient web app for managing tasks, promoting organization and collaborative productivity.
Technoligies : Angular , Spring Boot
